### **FOR IMMEDIATE RELEASE**

#### **Local Youth Premieres Feature Film, “Charlie’s Closet”**

Saturday, July 31<sup>st</sup> will be the world premier of the independent film, “Charlie’s Closet” from 6:30 p.m. to 11:30 p.m. at Lakehills Covenant Church, 7000 Rossmore Lane, El Dorado Hills. This full-length feature film was written and directed by Spencer Reed, a recent graduate of Ponderosa High School and peer mentor with the Vision Coalition of El Dorado Hills. Spencer has received numerous awards and accolades in film festivals and other artistic endeavors. He has recently been awarded a scholarship to Dodge College of Film and Media Arts in Los Angeles where he will begin training this September.

Prior to the featured film, there will be a showing of last year’s award-winning short “Half Alive” and other local filmmakers will be showcasing trailers to their upcoming movies. Live music will be provided by local artists, “The Andrew Heringer Band”, along with a DJ emcee.

To complement the festivities, a local youth artist will be drawing caricature sketches and the “Charlie’s Closet” make-up artist, Judi Peterson, of *All Party Art* will be on hand to do face painting. Food and drinks will be available for purchase and memorabilia from the film will be available to purchase or win. A photographer from Studio B/ Benton Photography will also be providing the opportunity to take your picture with the cast and crew of “Charlie’s Closet”.

Information on sponsorships and free tickets are available online at [www.charliescloset.com](http://www.charliescloset.com). A donation of \$5 is being requested to support other digital media training provided by the Vision Coalition to youth in our area.
